

# JENNIFER DE GOEDE

## Front End Developer

I am a junior Front End developer. I am hard working, a fast learner and will be an asset to your team!

.....

## Work History

:: —

March 2022

### Freelance

I created a website for a client who had just started a new business. He was very involved in the process as he had a clear idea of what he wanted for his site. I used HTML, CSS, Bootstrap, Visual Studio Code and Figma
